Lean on, lean on, lean on me
Lean on, lean on, lean on me,
I'm gonna need somebody to lean on
I'm gonna need somebody to lean on
Yeah

Part B - Lead Line 1

Sometimes in our lives
We all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow
Lean on me
When you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

Whoa lean on me
When you're not strong
I'll be your friend
Help you carry on
Oh won't be long
Oh 'til I'm gonna need oh

Somebody to lean on

If there is a load
You have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me

Oh Call me
Yeah

Part C - Lead Line 2

Lean on me
When you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on
Please!
Swallow your pride
If I have things
You need to borrow
For no one can fill
Those of your needs
That you wont let show
So just call on me brother
When you need a hand
We all need somebody to lean on!

I just might have a problem that
you'll understand
We all need somebody to lean on!
Lean on me
When you're not strong
And I'll be your friend
I'll help you carry on

For it won't be long
'Til I'm gonna need somebody to
lean on

We all need somebody to lean on!

We all need somebody to lean on!
Lean on me

If you just call me
Call me
When you need a friend
Call me
If you need a friend
Call me
Ooh

It won't be long 'til I'm gonna need
somebody to lean on, lean on, lean
on

Me
Lean on, lean on,
You can lean on me
I'm gonna need somebody to lean
on
Somebody to lean on
